- Dec 2022 - present 🗂 Samsun (Remote)

Frontend Developer
Ecommerce

Ecommerce, which I work as a front-end developer these days, is a company that aims to provide end-to-end service by providing e-commerce solutions and to meet your e-commerce needs, whether in the country or abroad. We offer e-commerce solutions for many companies in different fields.

- Jul 2020 - Dec 2022 🗂 Samsun

Frontend Developer
Bordo.io

When I was working as a middle front end developer at Bordo.io, where I entered with a compulsory internship. I have completed about 10 projects in Bordo.io, a start-up company, and I gained experience in different languages from these projects. You can check out my latest works at Bordo.io in the section below.

- Jun 2019 - Mar 2021

Freelance Frontend Developer
Bionluk

In the first years when I felt ready to take a job in the software field, I started to work as a freelancer from Bionluk. Working mostly on static websites, I tried to gain experience with my HTML, CSS and JS knowledge.

- Sep 2016 - Mar 2021 🗂 Konya, Turkey

Author
Mavna Fanzin

I started my writing career at Mavna Fanzin after singing the poems I wrote out of interest in literature on a local radio. I wrote essays, articles and poems for about 5 years. I continue this journey that started in my high school years as a hobby now.
